## BUDGET & DELIVERY ITEMS

\* indicates a required field

Please complete the table below for the amount requested and any other contributions for this stage.

Outline what you plan to spend the funding on and details of any co-funding. For Later Stage projects, this will need to include matched/significant contributory funding from market (that can't be you and has to be a good match to your project).

The majority of key creative roles should be occupied by bona fide Queensland talent and applicants should be aware that Screen Queensland will direct a majority of its funding towards elements that directly benefit Queensland talent.

**Applicants should ensure their requests are commensurate with the experience of team and the scope of the work.**

**Where funding is in support of a writers room, Screen Queensland will expect a line in the budget to be directed towards an emerging writer's attachment paid at award minimum rates. Screen Queensland will work with the applicant to identify suitable emerging writing talent to attach to your project.**

The maximum amount that may be requested for projects without market attachment is \$10,000.

The maximum amount that may be requested for projects at later stage is \$25,000. Later Stage projects must have matched/significant contributory funding from market (that can't be you and has to be a good match for the project).
